MAXIREM company is an expert in assembling all types of racking and shelving systems. We are always abreast with latest technology and installation solutions.

Our installations can be found in Germany, France, Austria, Norway, Denmark, Ireland, the Czech Republic, Slovakia, Hungary, Romania, Ukraine, Russia, Belarus, Lithuania, Azerbaijan and United Arab Emirates..

We offer assembly services with respect to products from all warehousing system suppliers. Our work is performed in compliance with the requirements and standards in force in the country of installation. Newly completed installations are checked using state-of-the-art measuring equipment (optical and laser). We have third party liability insurance of € 4,000,000.
